SUPPLEMENT TO  
REPORT NO.

The railway from Yakutsk via Verkhne Kolymsk (66°N, 152°E) to Palana has been under "secret construction" since 1947. It joins the line under construction in western Kamchatka at Palana. The railway is being simultaneously constructed in sections east of Yakutsk, to the east and west of Verkhne Kolymsk, and west of Palana. The construction is being undertaken by Dalstroi and should be completed by the end of 1949.
